Cecilian Scholarship

Rules and Regulations for Application

The Cecilian Music Club Scholarships will be awarded to dedicated young musicians attending a variety of summer enrichment programs dedicated to the study of classical music. We hope to encourage students to take advantage of the many musical opportunities available today, so they can enjoy the advantages of an ever-growing community of young musicians, and at the same time, achieve their individual musical goals.

The amount of each scholarship award will be \$300 or more; the number of students funded and the exact amount of each award will be based on the quality of applications and determined on a case-by-case basis by the Board of the Scholarship Committee. Committee decisions are final.

Requirements to Qualify for Application:

1. The Scholarship is open for students entering 6th grade through High School, including the first summer after the High School Graduation.
2. Applicants must be students of a Cecilian Club member in good standing.
3. Applicants must have auditioned for or participated in at least one Cecilian Music Club activity.

Each Application must include:

1. Completed Application Form
2. A 300-400 word essay on the following topic: *In what specific ways do you expect that participating in Music Camp will help you expand your musical horizons and achieve your goals in music?*
3. A document with detailed information on the chosen program (accepted programs are not limited to those listed on our “suggested programs” list). Information should be from the program itself, such as a brochure, print-out from the website, photocopy of official program schedule, etc.
3. A letter of recommendation from the Cecilian Club member teacher is required for each applicant. (Teachers will mail in all recommendation letters separately.) *Note: If a member is entering his/her own child, please submit a second recommendation from the child's teacher or a non-relative who can evaluate the child's musical and personal accomplishments.*
